St. Patrick's Day Fun!

As you all know, St. Patrick's Day is March 17th, and it's a great chance for all to wear their lucky green. MAI Students will celebrate the day by wearing something green in the dojo on **Wed. & Thurs., March 13th/14th**. The Leprechauns say that the end of the rainbow will be in the Anaheim dojo area on these days!

Participate in March Events and Earn "MAI Rewards"

There's a lot of fun things happening this month and students can earn points for the events that most already attend (like our **Mini-Tournaments**). Participate and earn your chance to win some great prizes at the end of the year. Here's how it works...every time you attend one of the "reward" events, you earn points that will accumulate throughout the year. We will keep track of the points and post the leader board in the dojo after each qualifying event takes place. To keep it fair for new students that join later in the year, we will do an average of the points and the events entered for everyone with an emphasis on those that make the most events. The winner(s) and prize(s) will be announced at the belt graduation ceremony in October.
